_____

Name of Superintendent or Authorized Official

Part 2- Narrative:

Please respond to the following prompts on the online application.

Question 1:	Provide a summary of your proposed project. Include a description of the project design. List the participating grades, subject areas, and the number of participating teachers and students directly impacted.
Question 2:	How, when, and where will the funds be used. Describe the activities in which you and your students will engage to reach your stated goals.

In this description: (a) address how the activities will engage students in robotics education; and (b) describe professional development activities to support the project and (c) describe professional development activities to support the project. |

Part 3- Budget Detail:

Use the FY21 Robotics Grant Program Budget Template Spreadsheet to detail how funds will support the proposal. Please download the budget template. The completed budget spreadsheet will be submitted electronically following the process outlined in the Grant Application Guidelines.
